Tasmanian Slimline Rainwater Tanks

SMART by design

Orion Slimline Tanks are the ideal rainwater tank when space is at a premium.

They look great and will suit a range of building styles — from heritage and traditional to contemporary and ultra-modern. Don't want to blend it? Well there are plenty of colours that will make your tank stand out.

- Our tanks are manufactured from food grade UV stabilised polyethylene, which makes them tough, durable and able to withstand the harsh Australian sun.
- Are tanks are a great long term investment. They are impact resistant and do not rust or corrode.
- Single piece moulded construction ensures long term structural strength.
- Tap/valve and fit-up kit supplied with all ORION Rainwater Tanks, to make your install easy.
- Available in a wide range of colours, with capacity to match many existing Colorbond® colours.
