

1100 LTR CORRUGATED RAINWATER TANK

Product Code: **RT01100LP**

In response to the demand for a quality durable rainwater tank that will stand the test of time, Orion Tanks Tasmania have created a comprehensive range of tanks with both traditional and contemporary styles. We have been manufacturing rainwater tanks for over 20 years, and we understand your needs.

Saving Water Has Never Been Easier

A leader in water conservation, Orion Tanks Tasmania have a wide range of both traditional and contemporary styles. Orion Tanks have been manufacturing rainwater tanks in excess of 10 years, and our finished product simply speaks quality from every perspective.

- Manufactured from food grade UV stabilised polyethylene, which makes them tough, durable and able to withstand the harsh Australian sun.
- Our tanks do not rust or corrode, and are impact resistant. They represent a great long term investment.
- The single piece moulded construction ensures long term structural strength.
- A tap/valve and fit-up kit is supplied with all ORION Rainwater Tanks. This makes installing them super easy.
- Should you have particular requirements, we can provide non-standard fit-up and additional outlet options on request,
- All our tanks are available in a wide range of colours, with capacity to match many existing Colorbond® colours.

SPECIFICATIONS

Code	RT01100LP
Diameter	1350mm
Height	1040mm
Warranty	15 years prorata
Minimum recommended base size	1450x1450mm
Minimum recommended base thickness	50mm
Recommended base construction	Concrete, or 6mm FCR levelled and compacted. If a tank stand is to be used, ensure base of tank is fully supported and that the stand is capable of supporting the total weight of the tank when full.
Tank material	LLDPE (Linear Low Density Polyethylene) Complies with AS/NS4766 for potable water
Outlet	2 x 25mm BSP Female
Overflow	1 x 90mm outlet, "Rapid Seal" grommet and 90mm removeable insect screen
Inlet	1 x 300mm strainer basket, complete with stainless steel insect mesh screen
Valve	1 x Brass Gate Valve

Capacity

1100
