

# 11250 LTR CORRUGATED RAINWATER TANK

Product Code: **RT11250**

## Tasmanian Traditional Round Corrugated Rainwater Tanks

In response to the strong demand for water conservation equipment, Orion Tanks Tasmania have produced a comprehensive range of traditional and contemporary styles. Orion Tanks have been manufacturing rainwater tanks in excess of 10 years, and our finished product speaks quality from every perspective.

- Manufactured from food grade UV stabilised polyethylene, our tanks are tough, durable and able to withstand the harsh Australian sun.
- Poly tanks do not rust or corrode, and are impact resistant — a long-term and worthwhile investment.
- The single piece moulded construction ensures long-term structural strength.
- Tap/valve and fit-up kit supplied with all ORION Rainwater Tanks, making installation a breeze.
- Non-standard fit-up and additional outlet options available on request, to suit your particular requirements.
- Our tanks are available in a wide range of colours and we are able to match many existing Colorbond® colours.

### SPECIFICATIONS

Code	RT11250
Diameter	2560mm
Height	2300mm
Warranty	15 years prorata
Minimum recommended base size	2700x2700mm
Minimum recommended base thickness	50mm
Recommended base construction	Concrete, or 6mm FCR levelled and compacted. If a tank stand is to be used, ensure base of tank is fully supported and that the stand is capable of supporting the total weight of the tank when full.
Tank material	LLDPE (Linear Low Density Polyethylene) Complies with AS/NS4766 for potable water
Outlet	2 x 40mm BSP Female
Overflow	1 x 90mm outlet, "Rapid Seal" grommet and 90mm removeable insect screen
Inlet	1 x 500mm strainer basket, complete with stainless steel insect mesh screen
Valve	1 x Brass Ball Valve
Capacity	11250
