

160 LTR SMOOTH WALLED RAINWATER TANK

Product Code: **RT00160**

In response to the demand for a quality durable rainwater tank that will stand the test of time, Orion Tanks Tasmania have created a comprehensive range of tanks with both traditional and contemporary styles. We have been manufacturing rainwater tanks for over 20 years, and we understand your needs.

Tasmanian Traditional Round Smooth Walled Rainwater Tanks

Orion Tanks have been manufacturing rainwater tanks for over 10 years, and our finished product speaks to elegant design form and superior function. In response to the ever-growing demand water conservation products, Orion Tanks Tasmania have a comprehensive range of both traditional and contemporary styles. Lower your carbon footprint with Orion.

- Manufactured from food grade UV stabilised polyethylene, which makes them tough, durable and able to withstand the harsh Australian sun.
- Our tanks do not rust or corrode and are impact resistant making them a worthwhile long-term investment.
- Single piece moulded construction ensures long-term structural strength.
- Tap/valve and fit-up kit supplied with all ORION Rainwater Tanks, to make your install easy.
- Non-standard fit-up and additional outlet options available on request, to suit your particular requirements.
- Available in a wide range of colours, with capacity to match many existing Colorbond® colours.
