

1700 LTR SQUAT CENTRE DISCHARGE HOPPER BIN

Product Code: **LA1500/4**

If you need capacity but have height restrictions, the new LA1500/4 hopper bin may be the answer for you!

Our Shortest 1200KG Bin Yet!

The LA1500/4 Squat Centre Discharge JACKY® Hopper Bin design incorporates a poly hopper mounted in a forkliftable steel stillage. The bin is emptied through an opening in the centre of the base, and has the option of a slide hatch discharge mechanism for dry goods. This Bin is ideal for food storage, as well as for settling tanks and other chemical storage applications.

Model LA1500/4 Benefits

- 1700L/1.7m³ capacity.
- High capacity but low height
- All working parts UV stabilised polyethylene or stainless steel for longevity.
- 30 degree run slope allows the discharge rate of most granular products to be easily controlled.
