

2 X 400 LTR SIDE DISCHARGE MINI FEED SILO

Product Code: **ATS400-DB**

The ATS400-DB Mini Silo Combination is ideal for the storage of smaller quantities of multiple feed products.

The JACKY® Mini Silos and Storage Hoppers are the ideal solution for stationary storage of smaller quantities of grain and feed.

Complete with our unique rust proof discharge system, these units protect valuable contents against vermin and weather damage.

The elevated storage hopper allows you to fill buckets or containers directly from the mini silo.
