

## 2000 LTR CORRUGATED SLIMLINE TANK

Product Code: PJT2000

## **Tasmanian Slimline Corrugated Rainwater Tanks**

Not only are Orion Slimline Tanks great for saving water, they are also extremely durable.

They are the ideal rainwater tank for anywhere space is at a premium and look great just about anywhere. They can blend in to your existing colour scheme whether it's heritage, traditional, contemporary or ultra-modern.

- Manufactured from food grade UV stabilised polyethylene, which makes them tough, durable and able to withstand the harsh Australian sun.
- Do not rust or corrode, and are impact resistant.
- Single piece moulded construction ensures long term structural strength.
- Tap/valve and fit-up kit supplied with all ORION Rainwater Tanks, to make your install easy.
- Available in a wide range of colours, with capacity to match many existing Colorbond® colours.
