

2100 LTR CORRUGATED RAINWATER TANK

Product Code: **RT02100LP**

In response to the demand for a quality durable rainwater tank that will stand the test of time, Orion Tanks Tasmania have created a comprehensive range of tanks with both traditional and contemporary styles. We have been manufacturing rainwater tanks for over 20 years, and we understand your needs.

Tasmanian Traditional Round Corrugated Rainwater Tanks

Orion Tanks Tasmania have a great range of traditional and contemporary styles of water tank. We have been manufacturing rainwater tanks for over 10 years and have built up a reputation for quality.

- Manufactured from food grade UV stabilised polyethylene, our tanks are tough, durable and able to withstand the harsh Australian sun.
- They do not rust or corrode, and are impact resistant. They represent a long term and worthwhile investment.
- Constructed from a single piece of poly ensuring long term structural strength.
- A tap/valve and fit-up kit is supplied with all ORION Rainwater Tanks, to make your install easy.
- Non-standard fit-up and additional outlet options are available on request.
- Tanks come in a wide range of colours, with capacity to match many existing Colorbond® colours.

SPECIFICATIONS

Code	RT02100LP
Diameter	1560mm
Height	1270mm
Warranty	15 years prorata
Minimum recommended base size	1660x1660mm
Minimum recommended base thickness	50mm
Recommended base construction	Concrete, or 6mm FCR levelled and compacted. If a tank stand is to be used, ensure base of tank is fully supported and that the stand is capable of supporting the total weight of the tank when full.
Tank material	LLDPE (Linear Low Density Polyethylene) Complies with AS/NS4766 for potable water
Outlet	2 x 25mm BSP Female
Overflow	1 x 90mm outlet, "Rapid Seal" grommet and 90mm removeable insect screen
Inlet	1 x 400mm strainer basket, complete with stainless steel insect mesh screen

Valve	1 x Brass Ball Valve
Capacity	2100
