26000 LTR
PANELLED
WALL
RAINWATER TANK

Product Code: **RT26000**

In response to the demand for a quality durable rainwater tank that will stand the test of time, Orion Tanks Tasmania have created a comprehensive range of tanks with both traditional and contemporary styles. We have been manufacturing rainwater tanks for over 20 years, and we understand your needs.

Tasmanian Traditional Round Panelled Wall Rainwater Tank

In response to the demand for a quality durable rainwater tank that will stand the test of time, Orion Tanks Tasmania have created a comprehensive range of tanks with both traditional and contemporary styles. We have been manufacturing rainwater tanks for over 20 years, and we understand your needs. Lower your carbon footprint with Orion.

- Our tanks are manufactured from food grade UV stabilised polyethylene, which makes them tough, durable and able to withstand the harsh Australian sun.
- They do not rust or corrode, and are impact resistant.
- The single piece moulded construction ensures long term structural strength.
- Installation is easy with a tap/valve and fit-up kit supplied with all rainwater tanks.
- Non-standard fit-up and additional outlet options available on request, to suit your particular requirements.
- Available in a wide range of colours and we can match many existing Colorbond® colours.

SPECIFICATIONS

Code	RT26000
Diameter	3400mm
Height	3200mm
Warranty	15 years prorata
Minimum recommended base size	3600x3600mm
Minimum recommended base thickness	50mm
Recommended base construction	Concrete, or 6mm FCR levelled and compacted. If a tank stand is to be used, ensure base of tank is fully supported and that the stand is capable of supporting the total weight of the tank when full.
Tank material	LLDPE (Linear Low Density Polyethylene) Complies with AS/NS4766 for potable water

Outlet	2 x 40mm BSP Female
Overflow	1 x 90mm outlet, "Rapid Seal" grommet and 90mm removeable insect screen
Inlet	1 x 500mm strainer basket, complete with stainless steel insect mesh screen
Valve	1 x Brass Gate Valve
Capacity	26000
