

5000 LTR SLIMLINE TANK

Product Code: **PJT5000**

Tasmanian Slimline Rainwater Tanks

Not only are Orion Slimline Tanks great for saving water, but they are also extremely durable.

They are the ideal rainwater tank when space is at a premium and they look great just about anywhere. They can blend into your existing colour scheme whether it's heritage, traditional, contemporary, or ultra-modern.

- Manufactured from food grade UV stabilised polyethylene, which makes them tough, durable, and able to withstand the harsh Australian sun.
- Do not rust or corrode, and are impact resistant.
- Single-piece moulded construction ensures long-term structural strength.
- Tap/valve and fit-up kit supplied with all ORION Rainwater Tanks, to make your install easy.
- Available in a wide range of colours, with the capacity to match many existing Colorbond® colours.
