

5000L UNDERGROUND WATER TANK

Product Code: **UHH45SC**

In response to the demand for a quality durable rainwater tank that will stand the test of time, Orion Tanks Tasmania have created a comprehensive range of tanks with both traditional and contemporary styles. We have been manufacturing rainwater tanks for over 20 years, and we understand your needs.

The 5000L Underground Water Tank is currently our largest option for underground water storage solutions.
