

600 LTR SMOOTH SLIMLINE TANK

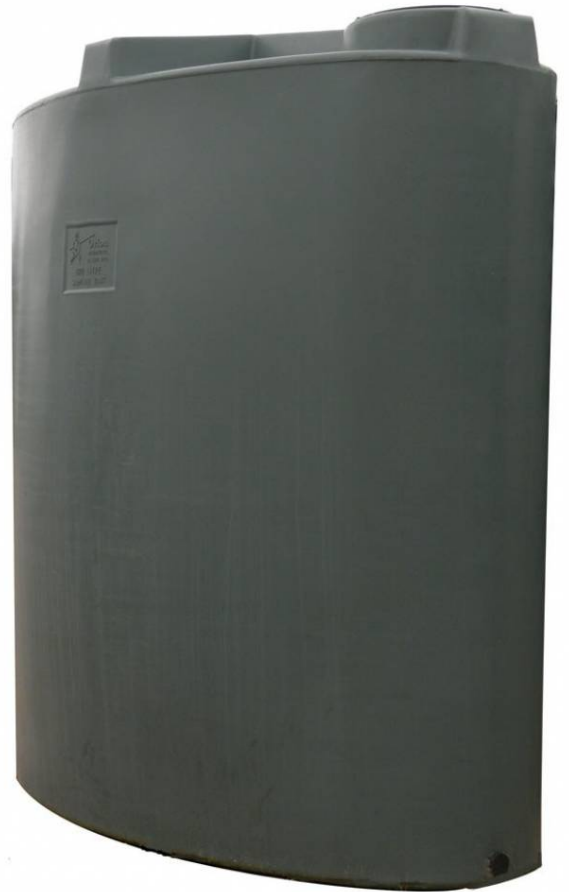

Product Code: **SDT0600**

Tasmanian Slimline Rainwater Tanks

Not only are Orion Slimline Tanks great for saving water, they look great too! They are the ideal rainwater tank for wherever space is at a premium.

No matter whether you want your tank to blend in to its surrounds or stand out — from heritage and traditional to contemporary and ultra-modern settings, we have the look to suit.

- Manufactured from food grade, UV stabilised polyethylene, our tanks are tough as the come, durable and easily able to withstand the harsh Australian sun.
- They do not rust or corrode, and are impact resistant — a great long term investment.
- Single piece moulded construction ensures long term structural strength.
- Installs are easy with a tap/valve and fit-up kit supplied with ever rainwater tank.
- Available in a wide range of colours, with capacity to match many existing Colorbond® colours.
