

6300 LTR PANELLED WALL RAINWATER TANK

Product Code: **RT06300LP**

In response to the demand for a quality durable rainwater tank that will stand the test of time, Orion Tanks Tasmania have created a comprehensive range of tanks with both traditional and contemporary styles. We have been manufacturing rainwater tanks for over 20 years, and we understand your needs.

Panelled Wall Round Rainwater Tanks made in Tasmania

Given the importance of water conservation in today's climate, Orion Tanks Tasmania have produced a comprehensive range of traditional and contemporary rainwater tanks. We have been manufacturing rainwater tanks for over 10 years, and our tanks have stood the test of time.

- Manufactured from food grade UV stabilised polyethylene, which makes them tough, durable and able to withstand the harsh Australian sun.
- Our tanks do not rust or corrode, and are impact resistant - a long term and worthwhile investment.
- Single piece moulded construction ensures long-term structural strength.
- Tap/valve and fit-up kit supplied with all ORION Rainwater Tanks, to make your install easy.
- Non-standard fit-up and additional outlet options available on request, to suit your particular requirements.
- Available in a wide range of colours, with capacity to match many existing Colorbond® colours.

SPECIFICATIONS

Code	RT06300LP
Diameter	2600mm
Height	1380mm
Warranty	15 years prorata
Minimum recommended base size	2750x2750mm
Minimum recommended base thickness	50mm
Recommended base construction	Concrete, or 6mm FCR levelled and compacted. If a tank stand is to be used, ensure base of tank is fully supported and that the stand is capable of supporting the total weight of the tank when full.
Tank material	LLDPE (Linear Low Density Polyethylene) Complies with AS/NS4766 for potable water
Outlet	2 x 40mm BSP Female
Overflow	1 x 90mm outlet, "Rapid Seal" grommet and 90mm removeable insect screen

Inlet	1 x 400mm strainer basket, complete with stainless steel insect mesh screen
Valve	1 x Brass Gate Valve
Capacity	6300
