

800 LTR FLAT WALL PALLET BIN

Product Code: **IPB800**

Simple, sleek and smooth – the IPB800 flat wall pallet bin is excellent for use in food production applications such as smallgoods processing. Very easy to clean and can be manually handled with relative ease.

Can be stacked 2 high when full, with or without a lid.

Available in a large range of colours, all fully food contact compliant. Optional galvanized or stainless steel rotator plates are available to allow rotation using rotating forklift head.

Rotationally moulded using industrial quality, UV Stabilised BPA free polymer for excellent performance both indoors and outdoors.

Procon Pallet Bin IPB800 Benefits

- Stronger, long-lasting rotomoulded bin
- Suitable for most standard bin tippers
- Manufactured using foodgrade polyethylene

Available options

- Embossing/Stamping
