

900 LTR PROCON PALLET BIN

Product Code: **IMB-C**

The heavily ribbed profile of the IMB-C pallet bin ensures that this bin delivers excellent performance and longevity, despite the rigours of some of the harshest work environments.

Can be stacked 2 high when full – lid is required for stacking.

Available in a large range of colours, all fully food contact compliant. Optional galvanized or stainless steel rotator plates are available to allow rotation using rotating forklift head.

Rotationally moulded using industrial quality, UV Stabilised BPA free polymer for excellent performance both indoors and outdoors.

Procon Pallet Bin IMB-C Benefits

- Stronger, long-lasting rotomoulded bin
- Suitable for most standard bin tippers
- Manufactured using foodgrade polyethylene

Available options

- Embossing/Stamping
- Galvanised Rotator Plates
