

CALF & LAMB FEEDERS

Orion Australia Pty Ltd supplies a complete range of calfaterias which have been thoroughly tested by Australian farmers. They have been proven to efficiently feed calves from the first day through to weaning, and have become a must for every serious livestock rearer.

- Available with screw-on calf or lamb teats.
- Generous teat spacing allows animals room to feed.
- UV stabilised poly for long outdoor use.
- 2.5 litres each division (excluding PCMM13)
- Teat cap easily unscrews to wash out feeder.
- Adjustable galvanised hanging brackets to suit rail spacing.
- Pull through teats only supplied with 13 teat feeder.
- Replacement teats readily available.
