

HOUSEHOLD PUMP PK110

Product Code: **PK110**

A mid range pump that is designed to suit large size single storey and double storey dwellings and is also suitable for larger outdoor area use (e.g. veggie garden)

- Good flow rate - 130L/min (max.)
- Calibrated to provide 'household' pressure (500kpa approx.)
- 'Multistage' impeller design provides excellent pressure and flow
- Very quiet operation
