

LONGLINE FEED TROUGH

The very popular range of longline feed troughs are perfect for cattle, horses, sheep, emus, alpacas, llamas and more. Manufactured in Tasmania for lifetime use under demanding conditions.

- Smooth interior with a large drain bung for easy cleaning
- Peggable design prevents movement
- Transport lugs at both ends
- Lightweight and easy to move around
- Available in both feed and water troughs
- UV stabilised poly construction

High troughs (450mm) are recommended for cattle and horses.
