

MASTER TUB POLY TROUGH

Australia's most popular round water trough, the Master Tub Trough range is the 'top of the range' trough. It's the preferred round water trough style of the serious farmer.

- All poly constructions
- Moulded float valve enclosure
- Raised float-trough fills fully
- Pipework recessed safely
- Rounded flexible
- UV stabilized
- 1½" drain cap

(Dimensions and capacity of these products can vary slightly between states)
