

WHEELS AND CASTORS PALLET BIN

Providing unparalleled manouverability and ease of handling, Orion Australia supply a large range of castors and wheels which can be fitted to pallet bins and tubs.

Wheel and castor specifications will vary depending on a large variety of factors such as:

- Weight of contents
- Type of floor surface
- Braking and swivel requirements
- Food grade compatibility (i.e. stainless steel)
- Method of propulsion

Available in a large range of colours, all fully food contact compliant. Optional galvanized or stainless steel rotator plates are available to allow rotation using rotating forklift head. Rotationally moulded using industrial quality, UV Stabilised BPA free polymer for excellent performance both indoors and outdoors.

Available options:

- Embossing/Stamping
- Drain Bung
- Rotator Plates
- Range of colours

Procon Pallet Bin QP/IPB800 Benefits
